CSRBOX®
Doing Good in a **Better** Way

Internship Offer Letter

Date: 21 June 2024

Dear Mr./Ms. Mayank Rajput

Congratulations on being selected for a 6-week IBM Skillsbuild internship focusing on **Data Analytics (DA)** / **Front End Web Development (FEWD)** through IBM . This internship will provide an excellent opportunity to develop skills that will significantly boost your employability and confidence in these areas.

IBM SkillsBuild is a skill development initiative where skill enhancement is provided to learners through academic interventions and an e-learning platform designed to help students acquire the foundational skills necessary for entry-level positions. Through IBM Skillsbuild Internship, students get comprehensive courses and resources and gain practical knowledge and hands-on experience to excel in the data analytics industry. This internship, brought to you by CSRBOX in collaboration with IBM SkillsBuild, will run 6 weeks from **24th/25th June to 5th August 2024**.

Internship Benefits:
- Gain access to the IBM SkillsBuild Platform with curated courses covering both technical and professional skills relevant to the industry.
- Enhance your learning experience in a project-based, collaborative environment.
- Participate in masterclasses led by Subject Matter Experts.
- Demonstrate your capabilities by working on real-world projects.
- Earn certifications from the IBM SkillsBuild program and CSRBOX to strengthen your professional profile.
